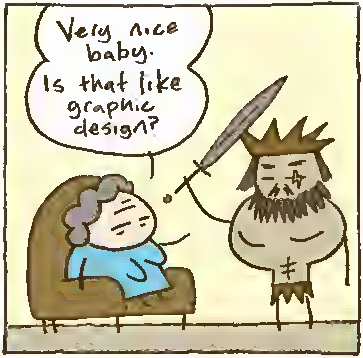
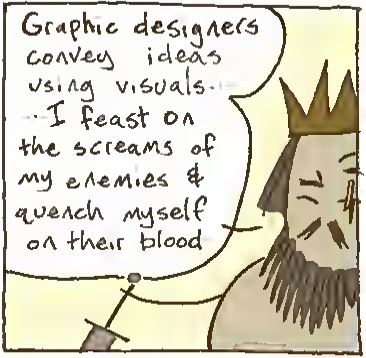
CLUSTER
FUDGE

I am Kit-Targ war chief of Koba-clan, breaker of bones, sorrow of empires!
What say you?



Very nice baby.
Is that like graphic design?
No mom, it's not like graphic design
What's the difference?



Graphic designers convey ideas using visuals.
I feast on the screams of my enemies & quench myself on their blood
So it's computers?
Yes, it's computers.
